CERTIFICATE OF INNOVATION

CERTIFICATE OF INNOVATION

2021

The Certificate of Innovation was designed to recognize SSC Members and Squadron Staff members who demonstrated “**excellence under adversity**” by their innovative and “**outside the box**” thinking to assist with or maintain cadet retention and encourage or promote recruiting at their squadrons over the past 18 months.

This year the BC Provincial Committee is pleased to award the Certificate of Innovation to Captain John Callaghan of 396 City of Prince George Squadron

When Covid 19 hit the normal world of Cadets came to an end. Capt Callaghan decided to take the circumstances and make it a positive virtual experience by inviting all the Northern Squadrons to participate and join in on his Zoom meetings and programs. Along with opening up training nights for all Cadets in all Squadrons , he also started fun nights where all cadets could participate in “zoom movie nights” and enjoy popcorn together ‘virtually’. He also set up meetings with Cadet Squadrons in Wales to allow Northern Cadets to mingle with Cadets from other parts of the world. This is definitely ‘Innovative and outside the box thinking’ !

Well done Capt Callaghan.... !
